

# Product Safety Recall

## 240V 12Hour Programmable Mains Timer

Product SKU: MS6117

Sold in **Jaycar Electronics** between 5/1/2024 - 15/2/2024

**Defect:** The timer does not comply with the relevant Australian standard as it may not allow appliances connected to it to earth correctly due to insulation material being present on the earth plug pin.

**Hazard:** There is a risk of serious injury or death from an electric shock.

**What to do:** Consumers should stop using the product immediately. Consumers should return to their place of purchase for a refund.
